Paul Martin's to Participate in Placer County Farm & Barn Tour

(Roseville, CA) – Paul Martin's American Bistro will participate in the 5th Annual Placer County Farm & Barn Tour in partnership with the Natural Trading Company organic farm on Sunday, October 12, 2008 from 10:00 a.m. to 4:00 p.m. The self guided tour event celebrates Placer County's agricultural heritage by connecting area residents with ten Placer County farmers and educating them about the process of growing and producing food.

"At Paul Martin's American Bistro we're committed to using fresh, peak-of-the-season ingredients, sourced whenever possible from local, sustainable farming partners like the Natural Trading Company. We're honored to be participating in this worthwhile event," commented Brian Bennett, Placer County resident and founding partner of Paul Martin's American Bistro. "Sourcing organic, sustainably farmed products from local producers is the core of our business philosophy, and the inspiration for our seasonal menus," he added.

Paul Martin's will be on hand at Natural Trading Company offering a variety of organic food items for guests to enjoy. Menu items include smoked turkey, Gouda and red pepper wraps with pesto aioli, green salad with fresh tomatoes, and fresh fruit, with many of the ingredients coming right from the premises. Proceeds from all meals sold at Natural Trading Company during the tour will benefit the Sierra View Elementary School's Edible Education Program and the Placer County Land Trust.
